

# Clear-sighted solutions with a keen sense of the market.

Gaining the advantage in today's difficult credit environment requires more than capital. It demands an equally high level of business acumen. National City Capital Markets provides our clients with both. Our professionals are unsurpassed in their expertise in the market color, the current conditions, capital markets and risks. Which is why the most well-respected companies in St. Louis trust National City to help them execute their strategic acquisitions.

Connect to your competitive advantage:

**Capital Markets**

National City Capital Markets is a trade name under which corporate and investment banking services of National City Corporation and its subsidiaries, including NatCity Investments, Inc. and National City Bank, are marketed. National City Capital Markets is not a legal entity. Securities products and services are provided by NatCity Investments, Inc., member FINRA and SIPC, and its licensed securities representatives, who may also be employees of National City Bank. Banking products and services are offered by National City Bank. Asset-based lending is offered through National City Business Credit.
